ABOUT THE CITY

Incorporated in 1964, Morro Bay is a general law City located on California's Central Coast, halfway between San Francisco and Los Angeles on Scenic Highway 1. With a population of 10,700 and additional 1 million visitors a year, the City has the City Council/Manager form of government. Morro Bay enjoys a temperate year-round climate, which makes it an ideal location for a variety of recreational activities. The atmosphere offers residents the peaceful tranquility of a coastal fishing village within close proximity to metropolitan areas.

ABOUT THE DEPARTMENT

The Department is a small, dynamic agency composed of 13 full-time up to 20 reserve employees. It responds with 3 engines, a 75' aerial, and a paramedic rescue to an average of over 1,980 calls per year, operating out of two stations; one staffed, and one housing equipment only. As a non-transporting paramedic fire department, it handles a large number of medical emergencies. It also responds to a variety of fire, hazardous material, technical rescue, vehicle, and ocean related incidents, and participates in the State-wide Fire Mutual Aid System. Suppression personnel work closely with the community enforcing fire codes and ordinances, teaching community outreach programs, and providing a variety of related services.

THE POSITION

This recruitment is to fill a current vacancy, as well as establish an eligibility list for any future vacancies. The successful candidate will be hired into a full-time benefitted 56-hour week position; however, the schedule will be a-typical, as it will serve to backfill for planned vacations, trainings and other vacancies. The schedule will be set usually 30 days in advance, but can be changed with 96 hours written notice. Under supervision, the successful candidate will participate in firefighting and fire prevention activities in protecting life, the environment, and property; respond to medical, rescue, and ocean-related emergencies; respond to hazardous material incidents; respond to automatic and mutual aid incidents; assist in the maintenance and repair of fire stations, fire-fighting apparatus and equipment; participate in related training and manipulative drills; act-out-of grade in the absence of an Engineer; and perform related duties as required.
