DETAILS:

On Sunday, March 22nd, at approximately 7:06 A.M. MBPD officers were dispatched to the 2500 block of Nutmeg Avenue for a suspicious person checking car doors and looking into vehicles. The reporting party advised seeing a male subject wearing black clothing and a black hat leave the area driving a white Hyundai sedan (possible suspect vehicle #3). Officers began receiving multiple calls of vehicle burglaries throughout the City. The first call was at 7:59 A.M. on the 2500 block of Laurel Avenue. Several other vehicle burglary calls were in the north area of town. Additional vehicle burglaries were on the 1100 block of Balboa Street and the 900 block of Marina Street. Most of the burglaries were reported to have occurred in the early morning hours between 5:00-7:00 A.M. Several items were stolen from each vehicle during each incident including purses and wallets. Several victims reported their credit cards being used at local businesses in Morro Bay and in San Luis Obispo. Officers determined Suspect #1 (shown in the photographs) used the stolen credit cards at Albertsons and Rite Aid in Morro Bay. The suspect was seen leaving in a white Chevrolet pickup (shown in the photographs). Suspect #2 (shown in photographs) was identified using stolen credit cards at the San Luis Obispo Target. Suspect #2 was seen leaving in a black Chrysler 300 (shown in photographs). Officers learned there have been several other purchases with stolen credit cards in the City of San Luis Obispo. The investigation is ongoing.
