Subject: Application for a Conditional Use Permit/Coastal Development Permit for the Morro Bay/ Cayucos Wastewater Treatment Plant Upgrade Project

Attached is an application for the Morro bay/ Cayucos Wastewater Treatment Plant upgrade project. City and District staff is currently working with Environmental Science Associates on a Draft Environmental Impact Report that will analyze any potential environmental impacts from the proposed project. A copy of the Draft EIR will be provided when it is released for public comment.

City and District staff is currently working with their design engineers, MWH America, on the preliminary design of the upgrade project. Any plan submittal requirements listed on page two of the application would be submitted following development of plans and specifications for the project.

If you require further information or have any questions, please contact me at (805) 544-4011.

Sincerely,

Jeremy Freund
