

SLO ENERGY WATCH

SMALL BUSINESS DIRECT INSTALL PROGRAM

The San Luis Obispo Energy Watch Program has joined forces with PG&E, Southern California Edison and Southern California Gas Company to deliver an energy-efficiency program designed specifically for small businesses. This program offers:

- Direct installation of selected energy-efficient technologies in small businesses
- Free energy surveys for small businesses
- Free local training seminars for design/build firms and engineers and architects working on commercial properties
- Energy-efficiency retrofits for municipal buildings
- Support for energy-efficiency codes and standards enforcement
- Information on other energy efficiency programs being offered by PG&E, SCE and So Cal Gas, including rebates for selected energy-efficient equipment

For more detailed information about the Energy Watch Program contact the San Luis Obispo Economic Vitality Corporation at (805) 788-2012.

To schedule a site visit for the Commercial Direct Install Program, please contact Staples Hutchinson at:
