Please be advised Planning Commission applicant, Neta Davis, has chosen to withdraw her application. She indicated that it would be a challenge attending meetings twice a month due to travel plans in the coming year.

Subject: Re: Interviews for TBID - Vacation Rental Rep

Hi Greg,

For various reasons we have had this situation occur before. We do not do separate interviews however if you are unable to attend all you need to do is send an email to Scott Collins letting him know the reason why. (actually I have copied him and will also copy Dana Swanson our clerk so that your name remains in the mix.)We will still consider your application even though you are not able to attend the interview. Thanks for letting me know ahead of time. And I wish your wife the best in terms of her healthcare procedure.

Kindest regards,

John

Hello John:

This is Greg Finch and I currently serve on the Short Term Vacation Rental committee for Morro Bay.

In speaking to Heather Goodwin she advised me to reach out to you on the situation below.

I have applied to fill the Vacation Rental representative on the TBID board. Next Tuesday the interviews are scheduled prior to the City Council Meeting.

On Monday my wife is scheduled to have major surgery which will make it highly unlikely I will be able to attend the Tuesday interviews.

If there is any other time option to interview and / or provide the council with information to fulfill interview questions please let me know.

The health of the vacation rental segment of our local economy is very important to me and which I feel I can provide valuable experience and skills.

Thank you,

Greg Finch
